Friday 5th June 2026

Dear families,

Welcome back to the summer half term.

What happened to the weather? June began with rain, which impacted our planned sports days. We are keeping a close eye on the forecast and will give you as much notice as possible to confirm that our new dates are going ahead.

Our sports days are now planned for:

- **Tuesday 23rd June 2026, 1.30-3.00 pm** at **The Burrow** for **Reception, Years 1 and 2**
- **Thursday 25th June 2026, 1.30-3.00 pm** at **The Burrow** for **Years 3, 4, 5 and 6**

We are running the events over two afternoons, and this gives us the opportunity to make sure every child can take part and enjoy the occasion. Our current Year 5 class will also help to run the EYFS and KS1 sports day, preparing them to be prefects and school leaders when they move into Year 6.

Staffing

I am delighted to welcome **Miss L Wallace** back to school following her maternity leave, and I hope she feels very happy to be back here at Eldon. Miss Wallace is a fabulous teacher and will bring so much to her return to school. She will be working in Year 2 alongside Mrs Ullah and Miss Calvert. This is so that she can take over as the full-time teacher in Year 2 in a couple of weeks, when Mrs Ullah begins her maternity leave on Friday 12th June. This will provide a smooth transition for the children.

School is feeling extremely settled at the moment. Your children all seem happy in school, and our school community feels calmer and more settled too. If you ever feel strongly about something, please do come and speak to your class teacher or a member of the senior leadership team. We do not always get things right, and we will always try to put things right if an issue arises. In the same vein, we won't always be able to agree to requests.

I look forward to the next half term with you all.

Website Update and Information

Over time, we have been developing the school website and logo to make sure they better reflect our school community. We have worked with a company, **Hooke Design**, who has spent time talking with our children, learning more about the school, and finding out what children and staff think. This has helped shape thoughtful marketing suggestions for our new website and school logo.

We are keeping our blue, so the school's identity will still feel familiar and recognisable. Our new website will become live at some point over this weekend, it is compliant, and we would like you to have a look at it. We hope you will find it easy to use, clear, and straightforward to navigate.

We want the website to stay current, without being overloaded with too much information. Our aim is to keep everything up to date, clear, and easy to find.

From September, any new uniform purchased will feature the new logo. However, we are

very happy for children to continue wearing uniform with the old logo until it wears out, as we are keen to support sustainability.

From September, we are also moving to a white polo shirt instead of a shirt and tie.

I will keep you updated with these changes through the newsletter, and I will also arrange a meeting for information only, so any interested families can see what the website, logo and related updates look like.

Nursery

This week we have been learning about our world and where we live.

In PE we have been jumping and hopping and carefully listening to instructions.

In maths we have been using mathematical language full and empty using pasta and containers.
