Friday 17th April 2026

Dear Parents,

Welcome back to summer term 2026! I hope that you all had an enjoyable break. Clubs began on Tuesday of this week. We look forward to a fruitful term.

This week in class

Eldon Lab

This week we have been learning about and creating flowers of the rainforest including Bromeliads, passion flowers and monkeys bush vines.

We have been researching about the importance of trees and our effect on Ecosystems.

Year 3

In Year 3, we have been learning about the Roman invasion of Britain. The children discovered that it took several attempts before the Romans were successful and explored the reasons for their invasion, including Britain's valuable resources. We also looked at the strategies they used to ensure success, such as strong armies and careful planning.
